## LETTER OF RECOMMENDATION

I am writing to express my strongest recommendation for Perna Khandelwal, who recently completed a research internship under my supervision at F13 Technologies. Throughout her internship, Perna consistently demonstrated exceptional research skills and a profound dedication to her work.

Perna possesses a remarkable ability to grasp complex concepts, design and execute rigorous tasks, analyse and interpret data with proficiency. Her independent research on a critical aspect of the project, development of a novel methodology that significantly improved efficiency and significantly advanced our research efforts.

### Exemplary Teamwork and Collaboration

Perna is not only an accomplished researcher but also a valuable team member. She fosters a collaborative and productive environment by specific examples of teamwork, e.g., effectively communicating research findings to both technical and non-technical audiences, readily assisting colleagues with troubleshooting and problem-solving, offering insightful suggestions that demonstrably improve the research process. Her positive personality traits relevant to research, intellectual curiosity, unwavering work ethic, and a commitment to excellence are truly commendable.

### Significant Contribution

Perna played a critical role in conducting research for various events for the general public. Her contribution to our research project was nothing short of transformative. She unearthed a previously unknown research avenue, spearheaded the development of a groundbreaking research methodology, and played a pivotal role in achieving groundbreaking results. Undoubtedly her work has the potential to leave an indelible mark on the field.

### Capabilities

Beyond technical prowess, Perna brought an infectious collaborative spirit, relentless work ethic, and an insatiable thirst for knowledge to our research team. She consistently impressed me with their eagerness to master new techniques, unwavering perseverance in the face of challenges, and an exceptional ability to collaborate effectively.

### Unqualified Professional Endorsement

Without any reservations, Perna Khandelwal has my unqualified professional endorsement for any future endeavours. She is a prodigiously talented and remarkably motivated individual who would be an invaluable asset to any team. Her intellectual prowess, technical skills, and persistent dedication make them a highly sought-after asset to any team. Her ability to learn independently, adapt to new challenges with a solutions-oriented approach, and consistently deliver impactful results is truly exceptional.

Perna Khandelwal has my deepest personal respect which extends far beyond their professional capabilities. She is an individual of unwavering integrity, genuine humility, and an everlasting passion. I have absolutely no reservations in stating that they are destined for exceptional achievements in their chosen field.

You may get in touch if you require any further information.

Sincerely,

**Amanpreet Singh**  
Founder & Director
